Delcona's Red Bounty is a real dark red, has a wonderful bull head, is plenty low and thick. If you are looking for a herd improver then he is the type. As to pedigree just study this one. His dam by the noted Imp Millhills Rufus from a good roan lady cow by the noted Maxwalton Hero.

Let us check the pedigree of the sire. He by a bull that needs no introduction. His dam Imp Augusta Valeria, Will Johnson says sh is one of the best five cows ever imported if not the best. She is also the dam of Royal Edwin, the bull that is making history for the breed in Canada. We did not decide to put this calf in the sale until Feb. 12, so he is not fitted.

Delcona's Bounty is another good one of the good sons of Broadfields Bounty. Please take time to look at the wonderful pedigree of the sire of this calf. Then in looking at the dam we find she came from the good Hanson herd and she by the good Sni-A-Bar Nominee. When all of the ancestry is good you can not go far wrong in selecting a sire. This calf is not fitted for sale as we did not think we would put him in until Feb. 12.
